Jermaine Brown  
Michelle Gaffney

Hello!  
Exciting changes are here for the Heritage War Eagle Booster Club! We have several new, and some returning, board members; all committed to improving the high school experience for Heritage students. We are also adapting to new guidelines with fresh new ideas and approaches for achieving our goals.

Like most, the Heritage War Eagle Booster Club has traditionally focused its support on the promotion of our sports and athletic programs. Today, the Heritage Booster mission is continuing with its move forward toward the ultimate goal of broadening the involvement to all students through the support of academics, activities, arts programs and athletics.

Sponsorship, participant, volunteer and community support will help us achieve the following goals:

- funding the shortfall between the district activity budget and the school need as defined by coaches, teachers and administrators
- fostering an environment of excellence for Heritage students and participants in the four A's: Athletics, Academics, Activities, and the Arts
- representing the full diversity of our student body

Some examples of Booster support include; events, camps, equipment, travel expenses, training programs and much, much more!

The annual golf tournament, scheduled May 7, 2021, is one of the leading ways the Heritage War Eagle Booster Club establishes the financial support necessary to accomplish its goals. See attached sponsorship form for your opportunity to be a part of these exciting and important initiatives.

The support and generosity of the entire Roger's community is a key component to our success!

Sincerely,

Heritage War Eagle Booster Club
